Sumptuous, oversized hardback edition of the beloved children's classic, fully illustrated with over 60 watercolour and pencil illustrations by award-winning artist, Alan Lee. J.R.R. Tolkien's great classic work, *The Hobbit*, celebrated its 60th year of publication (1937) with a gorgeous illustrated edition by artist Alan Lee, winner of the Kate Greenaway medal for illustration, and creator of the fabulously successful Centenary edition of *The Lord of the Rings*. Containing 22 full colour illustrations depicting key scenes from this all-time classic (scenes such as Gollum and Bilbo, The Wargs, Smaug the Dragon and The Battle of the Five Armies), this beautifully designed volume also includes a wealth of integrated pencil drawings which demonstrate perfectly Alan's genius at work. Alan Lee's work on this book, as well as the illustrated *Lord of the Rings*, led to him being approached by Peter Jackson to join the film trilogy as Conceptual Artist. The same artistic vision, present in his beautiful paintings and drawings, played a major role in the look of the films, and his work received the ultimate accolade with an Academy Award for Best Art Direction on *The Return of the King*. Обо всём этом и не только в книге **The Hobbit - illustrated hardback (J. R. R. Tolkien, Alan Lee)**
